From the Board of Directors...

I hope everyone had a safe and happy Thanksgiving with family and friends. We all certainly have many things to be thankful for and this is a time to reflect on all the blessings we have been provided.

As we reflect back on the year here at PCC we truly have many things to be thankful for. We have had a very tough year financially and as we head into the final month of 2011 and into 2012 the outlook for any improvement is bleak. Basically, we are in for a very rough ride as we try and find ways to help improve our income performance. The Directors along with Jeff and the PCC staff are working to develop strategies for increased membership and play to help us stay solvent. One thing that we absolutely must have is for every member to get engaged with these efforts because we know that without your help we are doomed. We are planning to have another member meeting in December and at that time we will present to you all of the ideas we have come up with and will be looking for ideas from you.

As mentioned in last month's letter we are in need of your nominations for the 2012 Board of Directors. There will be four vacant director positions to be filled and we need some good candidates to step up and serve. This coming year could be a very pivotal year for Perry Country Club and we will need a strong Board of Directors to see us through.

Our next meeting will be Thursday December 8th beginning at 6 PM and you are certainly invited to attend and participate. We can get through this because we have done it before but only if we all take responsibility to see it through.

LGA News

We have made it through Thanksgiving and hopefully without gaining too much weight to swing the golf club but I hope everyone had a happy holiday with their family. I want to thank Pat and Bess for the luncheon it was really great. As we go into the Christmas holiday let us not forget the reason for the season. I wish everyone in the LGA and at PCC the happiest and safest holiday possible with your family or families.

The ladies had a safe and great fall trip to Francis Lake Country Club in Lake Park Ga. and I encourage all you ladies who golf and did not go to come to sign up and come to and join us for the spring trip because we have a blast.

Our last meeting of the year which is our Christmas Social with no business will be on Tuesday December 13th and the hostesses are Joanne Hawkins, Judy Rich and Lillian Collins. Please remember to bring a covered dish and non perishable items.

Thank You,

Alice Rich
