## **From the Board of Directors....**

As we approach the deadline for our 2011 annual fundraiser I would like to impress upon everyone the importance of helping us make this a success. A successful fundraiser is critical to our ability to meet some end of year expenses. Thank you in advance for your support in this important matter.

Thanks for all the support you have provided our new Director of Golf Operations, Jeffrey Marks. Jeff is really working hard to improve our financial performance with increased play and outings and the results of his efforts are great. Please continue to support Jeff in these efforts.

We are in the final two months of 2011 and we still have a few things to accomplish. We are in the process of working on our 2012 budget and we hope to have this completed by the middle of December. We are in need of your nominations for the 2012 Board of Directors. There will be four vacant director positions to be filled and we need some good candidates to step up and serve. This coming year could be a very pivotal year for Perry Country Club and we will need a strong Board of Directors to see us through.

If you have not already heard we are having a membership drive and you could certainly help yourself and the club by working to bring in some new members. There are some great incentives for you to bring in a new member so stop by the Pro-Shop or go on line at [perrycountryclub.com](http://perrycountryclub.com) for more details.

Our next meeting will be on Thursday, November 10 at 6 PM and you are all welcomed to attend. Thank you again for your continued support and I look forward to seeing all of you out on the course.

James Rich – Club President

*We had our 1<sup>st</sup> annual Rally for The Cure for Breast Cancer tournament on October 1<sup>st</sup> with 23 participants. We raised \$460 for the Cure and also raised another \$230 from other proceeds and donations that are being designated to a Susan G. Komen affiliate in our area.*

*Breast cancer is the number one diagnosed cancer among women and touches many families in some way whether it be a wife, mother, sister, daughter, aunt, or friend. It is my hope that you keep this in mind next year when the tournament comes around and the sign-up sheet goes up. We had a great time this year and it is for a great and important cause.*
